1.8. A copy of this Public Announcement is available on the website of the Company at www.swarajenterprise.com, and is expected to be available on the SEBI website www.sebi.gov.in during the period of the Buyback.

2 NECESSITY AND BASIS FOR BUYBACK

The Board of the Company, at its meeting held on 28th November, 2017, considered all relevant factors, including the present debt to equity of the Company, investments planned in the next 2-3 years as well as the increase in accumulated free reserves and considered it appropriate to allocate a sum not exceeding ₹ 70,73,90,400/- (Rupees Seventy Crores Seventy Three Lakhs Ninety Thousand Four Hundred only) for distributing to the members holding equity shares of the Company, through a Buyback.

Thus, after considering several factors as well as benefits to the members holding equity shares of the Company, the Board decided to recommend Buyback at a price of ₹ 2,400/- (Rupees Two Thousand Four Hundred only) per equity share for an aggregate consideration of upto ₹ 70,73,90,400/- (Rupees Seventy Crores Seventy Three Lakhs Ninety Thousand Four Hundred only).

The Buyback is being undertaken by the Company to return surplus cash to the equity shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken for the following reasons:

- The Buyback will help the Company to return surplus cash to its members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members;
- The Buyback, which is being implemented through the tender offer route as prescribed under the Buy-back Regulations, would involve allocation of higher number of shares for small shareholders as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(1)(a) of the Buy-back Regulations;
- The Buyback may help in improving return on equity and earnings per share by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- The Buyback gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

3 MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK

The maximum amount required under the Buyback would not exceed ₹ 70,73,90,400/- (Rupees Seventy Crores Seventy Three Lakhs Ninety Thousand Four Hundred only), which is equal to 25% of the total paid-up capital and free reserves as per the audited accounts of the Company for the financial year ended 31st March, 2017 (excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and service tax, stamp duty, etc.).

The Buyback would be financed out of free reserves of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited Balance Sheet.

The Company confirms that as required under Section 68(2)(d) of the Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the paid-up equity share capital and free reserves after the Buyback.

4 MAXIMUM PRICE FOR BUYBACK OF THE EQUITY SHARES

The Equity Shares are proposed to be bought back at a price of ₹ 2,400/- (Rupees Two Thousand Four Hundred only). The Buyback Price has been arrived at after considering many factors, including, but not limited to, the trends in the volume weighted average prices of the Equity Shares of the Company on the BSE and NSE i.e. the Stock Exchanges where the Equity Shares of the Company are listed during last three months and two weeks, the net worth of the Company, price earnings ratio and impact on other financial parameters and the possible impact of Buyback on the earnings per share.

The Buyback Price represents a premium of 19.56% and 18.79% over the volume weighted average price of the Equity Shares on BSE and on NSE respectively for 3 months preceding the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback and 25.54% and 25.87% over the volume weighted average price of the Equity Shares on BSE and on NSE, respectively for 2 weeks preceding the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback.

5 MAXIMUM NUMBER OF SHARES THAT THE COMPANY PROPOSES TO BUYBACK AND TIMELINES

The Company proposes to buy back up to 2,94,746 Equity Shares representing up to 2.37% of the total issued and paid up equity capital of the Company.

UNQUOTE

10 RECORD DATE AND SHAREHOLDER ENTITLEMENT

10.1 As required under the Buy-back Regulations, the Company has fixed 12th January, 2018 as the Record Date for the purpose of determining the entitlement and the names of the Shareholders, who will be eligible to participate in the Buyback. The Equity Shares proposed to be bought back by the Company shall be divided into two categories: (a) reserved category for small shareholders and (b) general category for all other Shareholders. In due course, Shareholders holding Equity Shares, either in physical or dematerialised form, as on the Record Date ("Eligible Shareholders") will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.

10.2 As defined in the Buy-back Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price on BSE or NSE (as applicable, contingent on highest trading volume in respect of Equity Shares as on Record Date), of not more than ₹ 200,000/- (Rupees Two Lacs only).

10.3 In accordance with Regulation 6 of the Buy-back Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

10.4 On the basis of the shareholding as on the Record Date, the Company will determine the entitlement of each shareholder to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

10.5 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from Shareholders who have tendered over and above their entitlement in other category.

10.6 Shareholders' participation in Buyback will be voluntary. Shareholders can choose to participate, in part or in full and get cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Shareholders may also accept a part of their entitlement. Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Shareholders, if any.

10.7 The maximum tender under the Buyback by any Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 Equity Share may tender additional Equity Shares as part of the Buyback offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

10.8 The Equity Shares tendered as per the entitlement by Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buy-back Regulations. Each Eligible Shareholder will receive the letter of offer along with a tender/offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.

10.9 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Shareholders as on the Record Date.

For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If the Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by RBI/Bank, due to any reason, then such funds will be transferred to the concerned Stock Brokers' settlement bank account for onward transfer to such Eligible Shareholders.

12.1.3 The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company opened for the Buyback ("Company Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.

12.1.4 The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance of shares under the Buyback.

12.1.5 Excess demat Equity Shares or unaccepted demat Equity Shares, if any, tendered by the Eligible Shareholders would be returned to them by the Clearing Corporation. Any excess physical Equity Shares pursuant to proportionate acceptance/rejection will be returned to the Eligible Shareholders directly by the Registrar. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Equity Shares, in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buyback by Equity Shareholders holding Equity Shares in the physical form.

12.1.6 The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback. If the Eligible Shareholders bank account details are not available or if the fund transfer instruction is rejected by the Reserve Bank of India or any other bank, due to any reasons, the amount payable to the Eligible Shareholders will be transferred to the Stock Broker for onward transfer to the Eligible Shareholder.

12.1.7 Eligible Shareholders who intend to participate in the Buyback should consult their respective Stock Broker for details of any cost, applicable taxes, charges and expenses (including brokerage) etc., that may be levied by the Stock Broker upon the selling shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholders in respect of accepted Equity Shares could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.

13 The Equity Shares lying to the credit of the Company Demat Escrow Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buy-back Regulations.
